

2. Can you Copy Me (La Cucaracha)

*Can you copy me, can you copy me
Everybody nod your head
Can you copy me, can you copy me
See if you can nod your head*

*Can you copy me, can you copy me
Everybody clap your hands
Can you copy me, can you copy me
See if you can clap your hands*

*Now it's time to see if you
Can copy all the things that I do
It's an easy game to play
Sing along with me today*

*Can you copy me, can you copy me
Everybody wave your arms
Can you copy me, can you copy me
See if you can wave your arms*

*Now it's time to see if you
Can copy all the things that I do
It's an easy game to play
Sing along with me today*

*Can you copy me, can you copy me
Everybody spin around
Can you copy me, can you copy me
See if you can spin around*

*Can you copy me, can you copy me
Everybody nod your head
Can you copy me, can you copy me
See if you can nod your head*

*Can you copy me, can you copy me
Everybody clap your hands
Can you copy me, can you copy me
See if you can clap your hands*

*Now it's time to see if you
Can copy all the things that I do
It's an easy game to play
Sing along with me today*

*Can you copy me, can you copy me
Everybody now sit down
Can you copy me, can you copy me
See if you can now sit down*
