Everybody dance

Everybody dance

Shake, shake

Cha, Cha, Cha

Everybody dance

Everybody dance

Shake, shake

Cha, Cha, Cha

Slide to the left and

Slide to the right

Touch your toes

And reach up high

Clap your hands together

Uno, Dos, Tres

Stamp your feet

And shout Ole!

Everybody dance

Everybody dance

Shake, shake

Cha, Cha, Cha

Everybody dance

Everybody dance

Shake, shake

Cha, Cha, Cha

Look up high and

Look down low

Nod your head

And touch your nose

Clap your hands together

Uno, Dos, Tres

Stamp your feet

And shout Ole!

Everybody dance

Everybody dance

Shake, shake

Cha, Cha, Cha

Everybody dance

Everybody dance

Shake, shake

Cha, Cha, Cha

Slide to the left and

Slide to the right

Touch your toes

And reach up high

Clap your hands together

Uno, Dos, Tres

Stamp your feet

And shout Ole!

Everybody dance
