

9. Tidy Up

*Tidy up, tidy up
Everybody tidy up
You've got to put everything back in its
place
And tidy up*

*Can you put it away?
Yeah, yeah
For another day
Yeah, yeah
Can you make it nice and clean?
For everybody else?*

*Tidy up, tidy up
Everybody tidy up
You've got to put everything back in its
place
And tidy up*

*Can you put it away?
Yeah, yeah
For another day?
Yeah, yeah
Can you make it nice and clean?
For everybody else?*

*Tidy up, tidy up
Everybody tidy up
You've got to put everything back in its
place
And tidy up*

*Tidy up, tidy up
Everybody tidy up
You've got to put everything back in its
place
And tidy up*

Our Tip: Tidying up can be fun!
Use this song when you do the house
chores. This will encourage your little
one(s) to join in and help you. If they
are a bit older, make it a fun game:
Any time/day/week they hear the song
playing (you decide) they must stop
what they are doing and go tidy up
their room. The room needs to be done
in 5 repetition of the song for example.
The winner gets a special treat 😊
